Dear colleagues,

This document is intended to assist you in the reservation process for the first ever ICEAM Advanced Seminar to be held in Europe.

**In a nutshell:** First purchase your seat on the seminar on the ICEAM website by adding the seminar to your cart and following the check out process.

Registration Cost: **Early-bird: USD 1,815.00** (register before 11/30/18)

**Regular Price: USD 2,135.00** (register after 12/1/18)

As a Diplomat, you already have an ICEAM account, so please log in first. If you forgot your username, please contact Dr. Versluys at [aversluys@iceam.org](mailto:aversluys@iceam.org). AFTER registration on the ICEAM website, contact me for your accommodation.

To book your conference seat and room, you must register by yourself by contacting me via email. Whilst you won't need to pay anything before you get there, you will need to let the hotel staff know of your attendance, even if you should choose not to stay at the hotel, since you need to settle the conference fees with them. Do this when you arrive for the seminar.

**Conference Fee:** The total conference fee is €311,60 for the hotel. This includes coffee breaks, drinks during the seminar and lunch. ICEAM has been able to reserve a limited number of discounted hotel rooms. All these are double rooms. It is most advantageous to share such a room with a fellow student. You may organize roommates amongst yourselves. Or you may email me to help you find a roommate. The ICEAM hotel rooms at the conference location are available on a first come first serve basis.

**Room and Board:** Single occupancy for 5 nights is €595, shared in double is €372,50.

Room description: 20sqm room executive type with safe, TV, AC, WIFI, bathing gown and slippers, coffee and tea, including breakfast.

**Costs in total:** Hotel conference fee plus single occupancy in half board: € 906,60

Hotel conference fee plus double occupancy in half board: € 684,10

Dinner is not included and you may choose to enjoy dinner in the city of Bamberg, or in the hotel. If you do not stay at the conference hotel, then you will only be given lunch and coffee breaks, and you will also be responsible for your own breakfast.

**Time:** Arrival is on the 5th April, a day before the seminar starts, to allow you to settle in. The seminar itself will start on the 6th at 9am on the hotel grounds. The conference room details will be announced later. The rooms are booked until the 10th, with the seminar concluding at 3pm.

**Credit points:** The total course confers 30 credits of continuing education. Members of professional bodies (like AGTCM, SBÖ etc.) simply need to send their course certificate to their respective organisations.

**Additional Clinics:** In conjunction with the advanced seminar, we will be offering two clinic days on Thursday April 4 and Friday April 5. Space is very limited, so if you are interested in attending, please contact me by phone or email as soon as possible!
